**Department of Health Services
Children's Medical Services Network
(CMS Net) - Information Bulletin # 15**

The December change cycle was successfully completed on December 8, 2001. The following items were included in the update. Please call the CMS Net Help Desk (916) 327-2378 if you have questions.

1) Correction to the Managed Care Plan (MCP) and Healthy Families Plan (HFP) management reports. The Primary Care Provider (Medical Home)will print correctly on the report

2) Patient ID screen – Search results from a Date of Birth inquiry display in alphabetical order by patient last name.

3) Updated the message in the MTU Registration to read "Current Client Client Eligibility not on file for the Patient" for patients that do not have Client Eligibility established.

4) Correction to Authorization to print all insurance plans flagged as Primary Policy = 'yes', without a termination date.

5) Correction to automatic narratives, when CANCEL is selected the narrative will not be saved.

6) Removal of two obsolete Registration menu options for Regional Offices and Independent Counties: "Batch case assignment setup" and "Calculate active patient split".

7) Addition of the PSA form for the 2nd Medi-Cal Appl. Letter (C-36MAS).
